

From the Heart

A letter from Pastor John

“You shall rise before the aged, and defer to the old;
and you shall fear your God; I am the LORD.”

Leviticus 19:32

Dear friends,

I seldom quote from Leviticus. There are numerous laws in the book that no longer apply to the church, but there are some nuggets of insight. The context of the verse above is concerning our choices for wisdom. The previous verse says, “Do not turn to mediums.” In other words, there are reliable means of wisdom and there are sources that are suspect. This verse says that people who have experience should be sought out. And we should respect and worship God. God is our ultimate source of wisdom.

Too often people seek wisdom from news channels, palm readers, and horoscopes, while neglecting seasoned Christians, scripture, and God’s voice. John Wesley said wisdom was to be found in scripture, reason, tradition, and experience. I remember Mary Lynn’s grandmother lamenting to me, “Son, I have a lifetime of acquired learning and now no one ever asks me to help with a decision.” We are a people who want to do it all ourselves. When did it become a sign of weakness to seek counsel?

I witness people complicating their lives with poor decisions. We live in a culture that exalts youth and attempts to disguise age and need. Shakespeare summed up the crisis when he wrote, “Age, I do abhor thee; youth, I do adore thee.”

At Shiloh UMC there is a wealth of experience, learning, and wisdom. The mind of Christ is available in the collective wisdom of God’s people. Let’s share our lives and seek God’s wisdom. Also, let’s affirm our age. When people do not act their age, it is confusing. Children act their age, so should the rest of us. Isn’t it time that we talk to our elders about decisions? We really can benefit from someone else’s experience.

Blessings,

Pastor John

Sanctuary Renovation News

The McKnight Group has scheduled an open house for contractors in early June. We expect to have firm figures for the Sanctuary Renovation by the end of June. The stained-glass windows are receiving extra attention for some new possibilities. We are looking for a way to preserve the windows as they are but make them more efficient through an external addition. Various bids are being considered for the stained-glass. Of course, we must consider efficiency, preservation, and overall cost. We are seeking counsel from numerous experts.

2023 West Ohio Annual Conference Special Offering

On June 2, a conference special offering will be taken for two ministries detailed below. Our Shiloh Mission Committee voted to offer \$1000.00 for this purpose.

West Ohio Disaster Response

When a disaster strikes, whether in Ohio or across the nation, West Ohio Disaster Response is ready to assist – with volunteers, financial support, case management, and most importantly, the compassion of Jesus Christ. In the aftermath of the 2019 Dayton tornados, many United Methodist churches provided food, water, prayers, and volunteers. In the months that followed, United Methodist Early Response Teams and other volunteers worked to help homeowners in the hardest hit areas. Although major disasters are rare in Ohio, each year brings multiple smaller disasters that do not qualify for federal disaster funding. West Ohio Disaster Response comes alongside churches and communities to provide basic supplies and necessities, as well as repairs, to homes damaged by flooding, wind, and ice storms.

Mexico Mission Partnership

For more than 20 years, the West Ohio Conference has sent Volunteers in Mission teams to a medical clinic in Rio Bravo, Mexico. During that same time, a Methodist Church in the neighboring colonia was growing to the point that it could support a mobile medical clinic within its own complex. In January 2011, it was decided that West Ohio and Manos Juntas would join in full partnership, working together hand-in-hand, to provide medical care for the local community. Out of this partnership, another ministry was born – the Esperanza Viva ('House of Hope') children's home, which opened in Spring of 2018. The House of Hope can host up to 20 children in a loving, safe environment, where they can learn, play, and be cared for in Jesus' name.

Pastor John and Dave Thomas, our lay leader, are representing Shiloh UMC at the annual conference. The annual conference will be held at the Dayton Convention Center on June 1-3. Dave Thomas and Pastor John will be staying with Pastor John's daughter, Rachel Jessup. The Jessup home is located only ten minutes away from the annual conference.

New Director of Student Ministries begins June 1

After a diligent search, Shiloh has hired Nathan Cheney as the Director of Student Ministries.

Nathan will be responsible for leading youth ministries, young adults, and being a part of the family ministries team. Nathan has five years of experience in youth ministry. Nathan will begin teaching the Youth Sunday School on June 4. Nathan will help with Vacation Bible School on June 5-9. Nathan will also be going to Big Creek Mission for his first youth summer mission trip at the end of July.

Below is a greeting from Nathan:

"Hello Church Friends,

My name is Nathan Cheney and I am joining the staff here as the new Youth Director. I have previously been on staff with Groesbeck UMC and before that with Leipsic UMC. I graduated from Cincinnati Christian University in May of 2019 with a Bachelor of Science in General Ministry. Outside of the Church you can find me doing all sorts of things: reading, sitting next to my turntable listening to music, playing games with friends, watching a baseball game, or going to concerts. I value service, relationships, and study. I look forward to meeting everyone and becoming an active part of the community."

STUDENT MINISTRIES

NOTES FROM STUDENT MINISTRIES

Sunday Night Youth Group 6:00-7:30

Although we had no specific lessons this month to help youth continue to build their foundations (due to time off for Mother's Day and Memorial Day), we recently got to see one of our youth putting into practice one of the ideas in those lessons with the help of our guest speaker. 😊

Sharing our Faith Journey

We welcomed Jonathon Cody (JC) to our youth group. He shared his faith journey with our youth who were mesmerized as he told his "story" and how he was able to overcome so many trials and tribulations to become the man of faith he is today. Little did we know how much they were absorbing, until one youth came to 2nd service on his own the next week, made a beeline for JC and said, "I want God to be in me like He is in you."

BUILDING THOSE FOUNDATIONS

HIGH SCHOOL BIBLE STUDY

(7:30-8:30 after youth group on designated dates)

We will continue our deep dive into the Gospel of John. All high school students are welcome to join on June 4, June 11, June 25 and July 23rd, from 7:30-8:30, after youth group.

Has your youth submitted a Medical release/transportation/photo release form? **ALL YOUTH** (grades 6-12) are **REQUIRED** to complete this form to participate in Sunday Night Youth Group activities. Extra forms are on the rack outside the youth rooms.

Big Creek's Mission Collection

****We had one youth spot open up. Please contact a member of the youth ministry team if you would like more information.****

JUST A HEADS UP. 😊 As we did last year, we will be collecting Lowe's and Wal-Marts gift cards beginning in July to help the Wheelwright Campus. Watch for those 4x Krogers fuel points on gift cards if you would like to participate.

We still need one adult male chaperone.

We would welcome another female chaperone as well.

Anyone interested, please touch base with Pastor John or Maria Coogan.

SERVICE

Thanks to the abundant generosity of the Shiloh congregation, we were able to make and deliver over 200 peanut and butter jelly sandwiches to "Our Daily Bread Soup Kitchen " in over the Rhine. So much was donated that the youth have signed up for another date this summer. Children's Ministry and Joy Circle will also be sponsoring dates in the fall.

MISSION MOMENTS

Women Are Gold

The hot season seems to be sticking around a bit longer than usual this year, but that didn't stop us from keeping busy in May. At the beginning of the month, Rick attended a partnership meeting hosted by the Cambodian Ministry of Foreign Affairs and International Cooperation, where he was able to connect and chat with other NGO's working in Cambodia. At this meeting he learned that Cambodia currently has 339 Foreign NGO's working in the country. We are grateful to be one of them.

One of the programs we have been wanting to do for our clients is our "SHINE" program. This is a this guided retreat-like program, for young women and girls, where girls first learn to appreciate who they are and who they are created to be. During this retreat, girls learn to truly forgive themselves, before moving on to forgive others. This is a full day retreat, one that is focused on encouragement, empowerment and forgiveness. In early May we were happy to hold this retreat and have fifteen girls, from three different churches in our community attend.

As we continue to work on preventing human trafficking in Cambodia, we continue to hold training classes on Safe Migration. In Cambodia, it's common for people to move to other towns, provinces and countries to find work. While this practice offers many opportunities, it can also be risky. Scammers and traffickers try to exploit those who are eager to find jobs, making false employment offers and taking advantage of people who may not be aware of their legal rights. Our training highlights the benefits and risks of migration, explains the importance of valid work contracts and legal documents, and encourages participants to find jobs safely and legally.

We are excited to announce we have another new community partner, AusCam. Women Are Gold will work in partnership with AusCam to bring G.L.O.W. Club and Healthy G.L.O.W. clubs to the communities of Kampong Cham. G.L.O.W. Club provides girls with out-of-school safe spaces to learn, explore with trusted and knowledgeable mentors to help them discover new techniques for self-empowerment, advocacy, and skill-building, so girls have the tools they need to grow into confident, self-aware, and successful women. Healthy GLOW focuses on sexual, reproductive, and emotional health with a strong emphasis on healthy relationships. We are looking forward to this partnership and to sharing these clubs with our community.
